## **The Unicorn of Christmas**

The unicorn of Christmas  
The unicorn of Christmas  
She is beautiful, shiny, and free  
Glistening blue wings dazzling  
Through the midnight sky  
Look at her flying high  
I wish I was a unicorn at Christmas!

The unicorn of Christmas  
The unicorn of Christmas  
What wonderful powers you have  
Zooming past bright golden stars  
Delivering magic all around from Earth to Mars  
I wish I was a unicorn of Christmas!

The unicorn of Christmas  
The unicorn of Christmas  
She's kind, graceful and brave  
She saves your day, by taking worries away  
And leaves a smile on your face  
I wish I was a unicorn of Christmas!
