## HIRE OF PREMISES AT STAINES PREPARATORY SCHOOL

With reference to your recent enquiry, please find enclosed an application pack for hire of the School premises. Included are details of our facilities, charges, terms and conditions of hire and information on insurance cover.

Please return the Hirers' Booking Form duly completed, together with your compliance deposit (refundable upon compliance – amount as agreed with School Facilities Manager) for the attention of Mr. Gavin McCoig, at the School address. All lettings must have the prior approval of the School Facilities Manager. It is important that you indicate the exact dates and times you require, as the need for clarification may result in delay or loss of letting.

On confirmation of the booking 50% of the Hire Charges shall be paid immediately, a final invoice will be sent to you 60 days prior to the event and total payment must be received in full by the School. If a booking is required less than 60 days prior to the event the full cost of the booking is payable including the compliance deposit. An invoice will be sent to you on confirmation of your booking.

On completion of your event and the School deems the premises have been left in a satisfactory state, the compliance deposit will be refunded to you. If the premises are not left in a clean, neat and tidy condition or have not been vacated at the correct allocated hire time, your deposit will be retained by the School.

If you wish to make an amendment to your booking, where possible, this must be done giving at least 7 School days' notice. If the Hirer cancels within 60 days of the date of the booking or fails to use the facilities hired, the Hirer shall pay the School the full hire charge, if the hire cancels prior to 60 days before the date of the booking, the Hirer shall pay 50% of the full hire charge. On very rare occasions it may be necessary for the School to cancel a booking at short notice. We accept that this may cause the Hirer great inconvenience, so every effort will be made to notify you as soon as possible should such a situation occur or to offer an alternative.

Thank you for choosing to make your booking with Staines Preparatory School. I wish you every success with your event.

Yours sincerely,

Gavin McCoig

## Introduction

We at Staines Preparatory School want your function to be as safe and trouble free as possible. We are committed to providing a safe environment for our users and have undertaken a risk assessment of typical functions for which the School is used.

From this risk assessment we have developed a set of rules that must be satisfied by both the hirer and their service providers prior to and during the event.

Please note that it is the responsibility of the hirer to give each supplier a copy of these health and safety rules. Any breach of these rules would be seen as grounds to stop the function with no refund given.

## Service Providers

Hazards identified include:

- Electricity – power to equipment
- Fire – from electrical equipment
- Manual handling of all equipment and stock
- Trips and falls from trailing cables
- Slips and falls (Inc. down stairs) on wet/slippery floors from spillages

In order to ensure that the service providers carry out their duties safely, the following rules will be applied;

Prior to the event:

- Copies of Portable Appliance Test (PAT) certificates for all electrical equipment to be brought onto the School premises should be sent to the Facilities Manager no less than two weeks before the event.
- The service providers must supply the Facilities Manager with a list of all equipment and stock that will be brought into the School. This list should be provided no less than one week before the event.
- A copy of the Staines Prep School Fire Risk Assessment and Fire Safety Policy are available on request and should be read prior to your booking.

Failure to provide this information could result in this service being unavailable for your function as the equipment will not be permitted on the premises.

On the day of the event:

- All service providers should appoint a site contact, who should make themselves known to the Duty Supervisor upon arrival at the School.
- The Duty Supervisor will check their equipment to ensure it has been tested for electrical safety and direct them to the area where they are to set up. The service provider will follow the Duty Supervisor's instructions.
- All service providers will be expected to bring all the necessary equipment to enable them to perform their duties. The School will not usually supply any equipment unless by prior arrangement with the Facilities Manager.
- If a service provider arrives at the School without the necessary equipment they will may be permitted to set up until they have resolved the problem.
- Trailing electrical cables should be avoided where possible and covered if they are absolutely necessary. Any extension leads required must be provided by the service provider.
- Service providers will be expected to clean as they go and, if necessary, should include an additional person on their staff to enable them to do this. Spillages must be cleaned up immediately. All refuse from the service provider should be removed from the premises.

Failure to follow instructions from the Duty Supervisor during the event will result in any service provider being asked to leave the premises and they will not be permitted to provide services at future functions.

### Hirer

The hirer is responsible for ensuring that all service providers are given a copy of this information pack, that they provide the necessary information prior to the event and that they comply with the rules in this pack.

The hirer is also responsible for liaising with the Duty Supervisor and ensuring that all service providers comply with the instructions from the Duty Supervisor.
